

Want to make a change for the better?

The Shadow Safeguarding Board work with Bristol's leaders to make sure they stick to their promises, listen to young people's voices, and take action to keep children and young people safe.

Are you between 11-25 years old?

Have you (or know someone who has) ever worked with, or been involved with:

- a social worker
- a youth worker
- CAMHS
- The police
- any other professional who works to keep children safe?
